Dear Parents,

**Feeling gratitude and not expressing it is like wrapping a present and not giving it; hence, for your valuable support extended to NVN by paying your ward's 1st quarter fees, we express our deep and undying gratitude.** Please be rest assured that NVN remains committed and will continue to educate, support and care for our students.

In the beginning of the session we were quite hopeful that contemporary situations due to Covid-19 would improve soon and we would be able to conduct our co-curricular activities; hence we charged the optional co-scholastic fees from you. However so far the conditions have not improved much. So, considering all these factors we have decided to suspend the co-curricular activities which could be a possible threat for our kids particularly in the prevailing situation and thereafter for session 2020-21. We will not charge any co-scholastic fees from the parents who have not paid it yet and adjust the same in the next quarter fee for those who have already paid it. **Henceforth the parents are expected to pay tuition fee only as per the table given below:**
